Dave Mullikin

Leader, Visionary, Motivator, Coach and Entrepreneur

(cont'd) Dave owned and operated CSG Partners, a highly successful and growing consulting business serving Kansas City and the Midwest. Under Dave's leadership the business grew ten---times revenue in under 3---years selling to Lee Hecht Harrison becoming the SVP and Managing Director for ten offices across ten states.

Early in Dave's career he joined the General Electric Management Development Program. During his fifteen years with GE Dave held progressively more responsible positions in finance, operations, customer service, and management. Additionally, he graduated from GE's Financial Management Program, traveled 3---years on the GE Corporate Audit Staff, participated in several executive---level training programs at GE's Crotonville campus, and attended a 30---day executive immersion program at The Wharton School for Sales Force Management.
