Pat Duane

Career Coach

(continued)

Her certifications included Senior Professional in Human Resources from SHRM (2002), Certified Compensation Professional from the American Compensation Association (now World at Work), Certified Facilitator – Conflict Resolution, Designing and Leading Effective Organizations, and Investment in Excellence.

Pat has voluntarily served as a Community Board Member for the Chancellor’s Leadership Class (CLC) University of Colorado, Colorado Springs and as Vice President and Chair of the Administrative Committee for the Board of Directors, Sunnyrest Healthcare Facility, a nonprofit long term care facility established in Colorado Springs in 1911. She has also been a member-at-large for the Kennedy Center Imagination Celebration (KCIC) Steering Committee. She taught career development as an Adjunct Instructor at Colorado Technical University. In addition, Pat is a Certified Spiritual Director.

About Resnik Partners

Resnik Partners is a Career Partners International firm that helps companies select, develop and transition talent to improve business results. As specialists in Leadership Development, Executive Coaching and Career Transition services, we help employers design flexible, creative programs that are executed with individualized attention and thoughtful client service, resulting in measurable impact.

Founded in 1983, Resnik Partners maintains talent management offices in Denver with the capability to deliver consistent, seamless services nationally and globally through [Career Partners International](#) (CPI). As a founding member of CPI, our resources have expanded to include 70 global partners with over 200 offices worldwide.
